## Pregnancy Calendar Assignment

### **Scenario:**

**You are a prenatal class instructor. As a service to your customers you have decided to create a Pregnancy Calendar for them to use throughout their pregnancy. You would like the calendar to go through the stages and months of pregnancy, and also provide helpful tips and hints for the health and safety of mom and the baby. The calendar will have to address the following items:**

- Month by month pregnancy**
- Health for mom**
- Health for fetus (baby)**
- Pre-conception information**
- Post delivery information**
- Correct spelling and grammar**
- Creative and attractiveness**

**\*\*Be sure to cite all resources used!!**
